II. Original Papers

02 Pacific Basin Health Worker Training in the United States Affiliated Pacific Islands: Needs Assessment and Priorities for a Continuing Professional Development Program: Executive Summary (Tai-Ho Chen, Lee E. Buenconsejo-Lum, **Neal A. Palafox**)

The authors acknowledge the U.S. Health Resources and Services Administration (HRSA), Bureau of Health Professions, for its support of Pacific Association for Clinical Training (PACT), funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the University of Hawai'i (UH) John A. Burns School of Medicine (JABSOM), Department of Family Medicine and Community Health (DFMCH). The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

Former Project Director (formerly with UH JABSOM DFMCH); Project Director; Principal Investigator]

03 A Pilot Evaluation of Distance Education Modalities for Health Workers in the U.S. Affiliated Pacific Islands (Tai-Ho Chen, Lee E. Buenconsejo-Lum, Kathryn L. Braun, Christina Higa, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

04 American Samoa Assessment for Continuing Professional Development Program (**Lee E. Buenconsejo-Lum**, Tai-Ho Chen, Victor T. Tofaeono, Ernest Oo)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

05 Commonwealth of the Northern Marianas Assessment for Continuing Professional Development Program (Tai-Ho Chen, Pedro Untalan, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

06 Guam Assessment for Continuing Professional Development Program (Tai-Ho Chen, Lee Buenconsejo-Lum, Janice L.S. Yatar, Laurent Duenas, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

07 Chuuk Assessment for Continuing Professional Development Program (**Gregory G. Maskarinec**, Tai-Ho Chen, Julio Marar, Romino Saimon, Bosco Buliche)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

08 Kosrae Assessment for Continuing Professional Development Program (Tai-Ho Chen, Arthy Nena, Kun Mongkeya, Livinson Taulung, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

09 Pohnpei Assessment for Continuing Professional Development Program (Lee Buenconsejo-Lum, Tai-Ho Chen, John Hedson, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

10 Yap Assessment for Continuing Professional Development Program (**Gregory G. Maskarinec**, A. Mark Durand, Joe Habuchmai)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

11 Palau Assessment for Continuing Professional Development Program (Tai-Ho Chen, Gregory Dever, Stevenson Kuartei, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education

Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

12 Republic of the Marshall Islands Assessment for Continuing Professional Development Program (Justina R. Langidrik, Sheldon Riklon, Tin Soe, Tom Jack, Grace Ann Balaoing, Salome Lanwi, Kamal Gunawardane, **Lee E. Buenconsejo-Lum**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

13 Pacific Association for Clinical Training: e-Learning Telecommunication Infrastructure Assessment in the U.S. Affiliated Pacific Islands (**Christina Higa**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

14 Interdisciplinary Problem-Based Learning as a Method to Prepare Micronesia for Public Health Emergencies (Seiji Yamada, A. Mark Durand, Tai-Ho Chen, **Gregory G. Maskarinec**)

The authors acknowledge HRSA for its support of the Pacific Bioterrorism Preparedness Curriculum, funded by cooperative agreement 5 T01HP01408, awarded to UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

15 ICT Capacity and Human Resource Development in Island Economies (**Christina Higa**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to the UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

16 Healthcare is Not Something You Can

Isolate From Life in General: Factors Influencing Successful Clinical Capacity Building in the Pacific (**Richard Vezina**, Michael Reyes, Cyril Goshima, Stephen F. Morin)

The authors acknowledge HRSA's HIV/AIDS Bureau for its support, with the Pacific AIDS Education and Training Center (PAETC), under contract/grant number 1 H4A HA00058 awarded to the UCSF AIDS Policy Research Center (APRC). The authors further acknowledge the U.S. Department of Health and Human Services (DHHS) for its support, with PAETC, under grant No. 5H4A00016-02, and by the Sexually Transmitted Disease (STD)/AIDS Prevention Branch, Hawai'i State Department of Health (DOH), awarded to UH JABSOM Department of Psychiatry. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA, DHHS, or the Hawai'i State DOH.

17 Meeting the Challenge of HIV Clinical Training Within 2.5 million Square Miles of the Pacific Ocean (Kevin D. Patrick, **Cyril K. Goshima**, Talita Bowen, Charles Lyden, Jane Waldron, Richard Vezina, E. Michael Reyes, Naleen N. Andrade)

The authors acknowledge HRSA's HIV/AIDS Bureau for its support, with PAETC, under contract/grant number 1 H4A HA00058, awarded to the UCSF APRC. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

18 Developing a Community-Based Collaboration to Reduce Cancer Health Disparities Among Pacific Islanders in California (**Sora Park Tanjasiri**, Jacqueline H. Tran, Paula H. Palmer, Mary Anne Foo, Marion Hanneman, Cevadne Lee, Lola Sablan-Santos, Alek A. Sripipatana)

The authors acknowledge the Center to Reduce Cancer Health Disparities (CRCHD) of the National Cancer Institute (NCI) for its support of WINCART as a Community Network Program (CNP), Grant No. U01-CA114591. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of the NCI CRCHD.

19 Capacity Building for Cancer Awareness in Hawai'i's Foreign-born Filipino Communities (Charlene Cuaresma, Diane Mitschke, **Hali Robinett**)

The authors acknowledge NCI CRCHD for its support of AANCART as a CNP, contract no. U01-CA114640 (04/01/05 –03/31/10), and as a Special Populations Network, contract no. U01-CA86322U01 (04/01/00 – 03/31/05), under which AANCART-Hawai'i was funded for the period July 2002 through March 2005 via the

University of California, Davis under a subcontract with the Cancer Research Center of Hawai'i, Research Agreement No. 00RA7102-UOH. The Cancer Information Service (CIS), Pacific Region is funded by the NCI, contract no. N02-CO-41001. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of the NCI.

20 Empowering Natural Clinical Trial Advocates: Nurses and Outreach Workers (Diane B. Mitschke, **Kevin Cassel**, Paula Higuchi)

The authors acknowledge the CIS, Pacific Region, funded by NCI contract no. N02-CO-41001. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of NCI.

21 Evaluation of Distance Learning for Health Education (**Kelley Withy**, Shaun Berry, Nicole Moore, Sheila Walsh, Leah Sekiguchi, January Andaya, Megan Inada)

The authors acknowledge HRSA for its support of the Hawai'i & Pacific Basin Area Health Education Centers (AHEC), located in Hawai'i, Yap State, Federated States of Micronesia (FSM), and the Republic of Palau, funded by cooperative agreement 5 U76HP00578 awarded to UH JABSOM. The authors also acknowledge the Department of Commerce, Technology Opportunities Program grant 15-60-101022, and the National Institutes of Health (NIH) National Library of Medicine, grant 1 G08 LM07322-01, awarded to the Hawai'i & Pacific Basin AHEC at UH JABSOM. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

22 Maximizing Successful Pursuit of Health Careers in Micronesia: What to do? (**Kelley Withy**, Nia Aiototo, Shaun Berry, Francine Amoa, Faye Untalan)

The authors acknowledge the National Institutes of Health (NIH) for its support of the Masters Degree in Clinical Research Program, 5 R25 RR019321, and the Hawai'i & Pacific Basin AHEC, funded by cooperative agreement 5 U76 HP00578, both grants awarded to UH JABSOM. Funding for this project is also provided by NIH Clinical Research Center (CRC) grant P20 RR11091-11, also awarded to UH JABSOM. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of NIH.

23 Uliithi Atoll Health Assessment: A Peek at the Health of Rural Micronesia (**W. Thane Hancock**, A. Mark Durand, Arthur Yolwa, Josey Sagury, Clotilda Legthar, Kelly Wachi, Aparajita Adhikary, Mikela Yarawamai, Ana

Yarawamai Gregory G. Maskarinec)

The authors acknowledge HRSA's Bureau of Health Professions, for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

III. Viewpoints And Perspectives

27 Public Health in the Republic of Palau: What We Can Learn from a Small Island Country (Tim Duerler, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions, for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

33 Reasons for Homelessness Among Micronesians at a Transitional Shelter in Hawai'i (**Jill S.M. Omori**, Christina Keolanani Kleinschmidt, Eric K.W. Lee, Christopher J. Lindshield, Tina Kuribayashi, Damon F. Lee)

The authors acknowledge HRSA's Bureau of Health Professions, for its support of the pre-doctoral education program; faculty personnel for the HOME Project are funded by HRSA cooperative agreement 1 D56GP05216 awarded to the UH-JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

IV. Pacific Health Institutions

34 Pacific Association for Clinical Training (PACT): Lessons Learned and Next Steps in Developing a Sustainable Continuing Medical Education System in the United States Affiliated Pacific Island (USAPI) Jurisdictions (**Lee E. Buenconsejo-Lum**, Gregory G. Maskarinec, Neal A. Palafox)

The authors acknowledge HRSA's Bureau of Health Professions for its support of the Pacific Association for Clinical Training (PACT) funded by HRSA Cooperative Agreement #1 U12HP01064-01-00, awarded to UH JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of the HRSA.

35 The Yap AHEC: An Update 2004-2006 (**A. Mark Durand**, Leona Tamag, Arthur Yolwa, Victor Ngaden,

Anna Boliy, Vincent Tafleimal, Kelley Withy, Greg Dever, Pedro Untalan, Faye Untalan, Marcus Samo, Nena S Nena)

The authors acknowledge HRSA for its support of the Hawai'i & Pacific Basin Area Health Education Centers (AHEC), located in Hawai'i, Yap State, FSM, and the Republic of Palau, and funded by cooperative agreement 5 U76HP00578 awarded to UH JABSOM. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

V. Case Reports And Short Communications

36 A Cross-Sectional Evaluation of the Health Dispensaries, Community Health, and Current Techniques for Improving Health Assistant Education on the Outer Islands of Yap State, Federated States of Micronesia (Megan Inada, Mary Le, Timothy Duerler, **Gregory G. Maskarinec**)

The authors acknowledge HRSA's Bureau of Health Professions for its support of the Pacific Association for Clinical Training (PACT) funded by HRSA Cooperative Agreement #1 U12HP01064-01-00, awarded to UH JABSOM DFMCH, and the Pacific Bioterrorism Preparedness Curriculum, funded by cooperative agreement 5 T01HP01408, awarded to UH JABSOM. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.

37 Dental Manpower Development in the Pacific: Case Study in the Republic of the Marshall Islands (**Ohnmar K. Tut**, Justina R. Langidrik, Peter M. Milgrom)

The authors acknowledge funding from HRSA Grant No. 6 H47 MC02052 through HRSA's Maternal and Child Health Bureau, State Oral Health Collaborative Systems Grants program, and the RMI Work Investment Act for infrastructure development support. Technical assistance from the Northwest/Alaska Center to Reduce Oral Health Disparities, University of Washington (UW), was supported by the National Institute of Dental and Craniofacial Research (NIDCR), National Institutes of Health, through NIDCR Grant No. U54 DE14254. Training in Saipan, Commonwealth of the Northern Marianas Islands (CNMI), was supported by the World Health Organization (WHO) and HRSA Grant No. U12 HP01064 to UH, which also supported training in Yap State, FSM. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA, WHO, NIDCR or the RMI.

38 Brief Report on Oral Health Prevention Training in

Yap State, Federated States of Micronesia (Ohnmar K. Tut, Cindy Lefagopal, Peter Milgrom)

The authors acknowledge HRSA's Bureau of Health Professions, for its support of PACT, funded by HRSA 1 U12HP01064: A Cooperative Agreement to Plan, Develop and Operate a Continuing Clinical Education Program in the Pacific Basin, awarded to UH JABSOM DFMCH; and the National Institute of Dental and Craniofacial Research (NIDCR) for its project support from the Northwest/Alaska Center for Research to Reduce Oral Health Disparities, funded by grant no. U54 DE14254 to the University of Washington, Seattle. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA or NIDCR.

39 Health Problems of Micronesian Patients at a Student-Run Free Homeless Clinic (Damon F. Lee, Christopher J. Lindshield, Tina Kuribayashi, Christina Keolanani Kleinschmidt, Eric K.W. Lee, Jill S.M. Omori)

The authors acknowledge HRSA's Bureau of Health Professions, for its support of the pre-doctoral education program; faculty personnel for the HOME Project are funded by HRSA cooperative agreement 1 D56GP05216 awarded to the UH-JABSOM DFMCH. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of HRSA.
